Forecast For Dumfries, Galloway, Lothian & Borders
Issued by Met Office Aberdeen
at 0400 on Wednesday 21 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry, sunny and hot today. Cooler over Lothian.

Today:
Overnight low cloud soon burning off this morning to leave a dry and sunny day, although some eastern coastal districts may remain cloudy. A hot day in many areas, but cooler across Edinburgh, eastern Lothians and the Berwickshire coast. Maximum temperature 28 deg C (82 deg F).

Tonight:
Dry with some warm sunshine this evening. Low cloud will develop across the east through the night, the southwest staying dry and clear. Warm, locally very warm in the southwest. Minimum temperature 15 deg C (59 deg F).

Thursday:
Low cloud in the east burning back to North Sea coasts through the morning. Otherwise it will be dry sunny. Hot again, but cooler across Edinburgh, Lothian and eastern Borders. Maximum temperature 29 deg C (84 deg F).

Outlook for Friday to Sunday:
Little change, overnight low cloud burning off to leave plenty of dry and sunny weather. Still very warm, cooler along the east coast.
